

## ATLANTA (EMORY) GROUP-SPECIAL LIMITATIONS

### For this location, the following limitations apply:

Only those individuals who are fully vaccinated--meaning it's been at least two weeks since your 1-shot vaccination or the second 2-shot vaccination--may attend the groups at Emory. There are no exceptions.

We are glad to resume our meetings at this location. However, we must remember that this is a healthcare facility and particular protocols must be observed. You are welcome to attend if you agree to the following:

- You meet the above vaccination requirement.
- Masks must be worn at all times except when you're seated in our meeting room. Everyone in the room acknowledges that they are fully vaccinated.
- Upon entering the building, you will need to sanitize your hands, answer some screening questions and get your temperature checked.
- Please do not attend if you are feeling at all unwell, have a temperature above 100.4 F, have been exposed to anyone with COVID-19 symptoms or are a member of a particularly vulnerable population.
- There are inherent risks involved with attending a meeting and you do so at your own risk. (See Georgia waiver of liability/assumption of risk.) By attending a meeting you are acknowledging that you have read the "Warning" as well as our "Attendance Agreement" (both stated below) and are in full agreement.

### **WARNING**

Under Georgia law, there is no liability for an injury or death of an individual entering these premises if such injury or death results from the inherent risks of contracting COVID-19. You are assuming this risk by entering these premises.

### **PARTICIPATION AGREEMENT:**

By attending any groups, you are indicating that you have visited the Participation Agreement page of our website and read the Support Group Guidelines and FAQ and are in full agreement with all policies.

Please e-mail us with any questions.

***NOTE: We no longer require registration for this group. However, the room has limited seating, so please take that into account and avoid arriving last-minute.***
